there are hundreds of books about sales but how many of them have actually helped anyone become a better salesperson hal becker's ultimate sales book is a sales book and sales training course rolled into one written by xerox's former number one u.s. salesperson and one of america's top sales trainers it contains a wealth of practical information that many seasoned salespeople have forgotten and which new salespeople need to master it includes action steps to help you develop unique and proven selling methods set goals list prospects and even discover your own ways to answer objections plus targeted quizzes at the end of each chapter to hone your skills this is truly the one sales book every salesperson needs

tried and tested formulas for entrepreneurs to become a sales rep you must be both a sales rep and an entrepreneur

selling is a skill that should not be limited to sales staff customer service or other support staff could all benefit from developing an awareness of and an ability to sell to customers also the opportunity for developing those skills should not be limited to sales training workshops here at last is a mix of over 80 games exercises and ideas that can be used to develop sales customer service and other staff they range from simple skill boosters for coaching sessions or team meetings through icebreakers energizers and selling quizzes to full blown role plays and case studies the principle at the heart of all the material is that games and exercises should be generic transferable across different organizations and sales situations and that they should use an open content approach this means that participants must supply their own examples and experiences to make the material immediately and completely relevant this collection of games and exercises will enable sales managers or trainers to develop their people with confidence secure in the knowledge that all of the material has been thoroughly road tested on courses and seminars ensure a flexible approach varying their pace or style in response to the subject matter and their

audience reinforce the learning using different formats of exercise to cover the same learning points train rather than talk using the material to encourage people to start using what they already know

includes part 1 number 1 2 books and pamphlets including serials and contributions to periodicals january december

keep it simple selling is all about shortcuts let s make selling cars easier let s make selling trucks faster and for heaven s sake let s make it fun imagine for a moment how it would feel if you could sell cars just by being yourself and finding ways to serve others naturally and easily how would your life be different if sales opportunities continuously dropped out of the sky and into your lap with no stress or struggle would you like to sell 80 percent of the people you talk to every day the automotive business is a gold mine not just for a few natural salespeople for anyone in this industry anyone can advance as far as they want there s no barrier to entry and there s no glass ceiling your raise becomes effective when you do damian boudreaux started out cleaning parts in his friend s transmission shop from there he tried and stumbled and tried again to sell more cars than the month before it wasn t until he began to open his eyes and pay attention to the people around him that he understood what it really takes to succeed in the automotive business the lessons he learned during his journey to becoming a consistently top selling salesman are humbling and inspiring at the same time
