before Hungary's transition from communism to democracy local dissidents and like-minded intellectuals activists and academics from the west influenced each other and inspired the fight for human rights and civil liberties in eastern europe Hungarian dissidents provided westerners with a new purpose and legitimized their public interventions in a bipolar world order the making of dissidents demonstrates how Hungary's western friends shaped public perceptions and institutionalized their advocacy long before the peaceful revolutions of 1989 but liberalism failed to take root in Hungary and Victoria Harms explores how many former dissidents retreated and westerners shifted their attention elsewhere during the 1990s paving the way for nationalism and democratic backsliding

since the appearance of its first edition in Germany in 1979 *A History of German Literature* has established itself as a classic work used by students and anyone interested in German

literature the volume chronologically traces the development of german literature from the middle ages to the present day throughout this chronology literary developments are set in a social and political context this includes a final chapter written for this latest edition on the consequences of the reunification of germany in 1990 thoroughly interdisciplinary in method the work also reflects recent developments in literary criticism and history highly readable and stimulating a history of german literature succeeds in making the literature of the past as immediate and engaging as the works of the present it is both a scholarly study and an invaluable reference work for students

this volume provides an excellent introduction to the modern and contemporary novel in german speaking countries and the work of novelists such as günter grass heinrich böll martin walser and christa wolf

pre and post unification culture includes austria and switzerland annotated suggestions for further reading english and german language works
