in recent years protest camps have become increasingly prominent seen in mass protests around the world with camps erected everywhere from a park in istanbul to a mexico city street though these movements like the countless others that have adopted this tactic have differing goals they ve all found protest camps to be an effective tactic for getting and holding attention from media and government alike this collection offers a number of interdisciplinary case studies of protest camps as unique organizational forms that transcend the contexts of particular social movements looking at relations connections and similarities and differences among camps from widely varied locations and movements written by a wide range of experts in the field the book offers a critical assessment of current protest events and will help better understanding of new global forms of democracy in action

italy is not a country for young people why this book provides a unique and in depth collection of empirical and theoretical material providing multiple answers to this question whilst investigating the living conditions of young people in italy today by bringing together a variety of approaches and methods the authors of this collection analyze italian youth through the lenses of three dimensions activism participation and citizenship work employment and careers and moves transitions and representations these dimensions are the analytical building blocks for challenging stereotypes and unveiling misinterpretations and taken for granted assumptions

that portray young people in Italy as selfish choosy and unwilling to make sacrifices commit and manage an independent life these prejudices often underplay the role of constraints they are facing in the transition to adulthood studying Italian youth therefore not only allows us to capture their peculiar characteristics but also to reflect more broadly on the conceptual toolbox we need in order to understand contemporary youth more generally by doing so the volume aims to contribute to international discussion on the youth condition in Europe the introduction of this book is freely available as a downloadable open access pdf at taylorfrancis.com under a creative commons attribution non commercial no derivatives cc by nc nd 4.0 license

this comprehensive resource is an invaluable teaching aid for adding a global dimension to students understanding of American history it includes a wide range of materials from scholarly articles and reports to original syllabi and ready to use lesson plans to guide teachers in enlarging the frame of introductory American history courses to an international view the contributors include well known American history scholars as well as gifted classroom teachers and the book's emphasis on immigration race and gender points to ways for teachers to integrate international and multicultural education America in the world and the world in America in their courses the book also includes a views from abroad section that examines problems and strategies for teaching American history to foreign audiences or recent immigrants a comprehensive annotated guide directs teachers to additional print and online resources

managing people and organizations in changing contexts addresses the contemporary problems faced by managers in dealing with people organizations and managing change in a theoretically informed and practical way this textbook is a contemporary and relevant alternative to the standard works that cover material on organization behaviour and human resource management because it approaches people management from the perspective of managers and aspiring managers the book has an international orientation and many of the cases and examples in the book reflect this it addresses the problems that managers face in managing people in old and new economy organisations and is interdisciplinary in its approach including contributions from management organisational behaviour hr strategy marketing and reputation management and technology this text meets the requirements of managers leaders and students in managing people in contemporary and changing contexts managing people and organizations in changing contexts offers a contemporary and relevant edge with an original structure awareness of international and current trends and up to the minute detail cases based on original research and consulting experience new material on the role of management and leadership technology and reputation management and covers much of the material for CIPD's core management standards material that has been tested with managers and students in Europe the USA and Asia a website on

in this major reinterpretation of the progressive era Peter Coleman argues that the American welfare state had its origins in what he calls the world wide crisis of capitalism here and abroad reformers no longer content to treat the symptoms of distress sought to achieve social political and economic justice by abandoning *laissez faire* in favor of governmental intervention this study thoroughly documents the external forces that shaped the American progressive movement and shows that the reformers agenda for change drew heavily on foreign ideas and models as well as the American reform tradition tracing the international cross currents of reform ideas Coleman demonstrates that for nearly three decades American reformers of every stripe regarded the Australasian colonies especially New Zealand as examples of what the United States could become thus inspired American reformers worked for such goals as wage and hour legislation for women abolition of child labor workmen's compensation laws compulsory arbitration of labor disputes land reform cheap loans for farmers old age pensions and infant and maternal care programs through these and other measures that touched all aspects of the nation's life the role of government was enlarged by placing progressivism within an international context Coleman deepens our understanding of a phenomenon previously seen as distinctively American thereby clarifying both the substance and process of change in this

country he also argues that in the progressive era can be seen the origins of the regulations and mixed economy of the modern welfare state

joshua s story child protection in the nineteenth and twentieth centuries the crime of child abuse deshanev v winnebago county in the lower courts deshanev v winnebago county in the u s supreme court poor joshua deshanev v winnebago county in the court of public opinion

that shift davies argues was part of a broader transformation in political values that had devastating consequences for the democratic party in particular and for the cause of liberalism generally

this is the first book devoted to examining why some issues proposed by aggrieved individuals or groups are denied access to policy agendas the book contains case studies that look at the policy process from the perspective of the strategies opponents often use to ensure agenda denial strategies usually motivated by perceived threats to widely held world views and identities

offers coverage of wartime extra legal courts focusing on those periods when the constitution and civil liberties have been most severely tested by threats to national security fisher critiques tribunals called during the presidencies of washington madison jackson lincoln andrew johnson wilson franklin roosevelt and truman

the 1970s and 1980s saw a resurgence of industrial homework in rural areas this text examines the effects of homeworking on workers mainly women and their families and explores the role of the state in subsidising the development of homeworking jobs that depend on gender

this volume examines the environmental issues currently under debate in the international arena the text approaches the topic at a conceptual level and from an interdisciplinary viewpoint it analyses the roles of key players in environmental policy the nation state non governmental organizations and the business community it continues with an examination of the importance of international relations trade east west north south and goes on to consider the prospects for sustainable development and social changes required for sustainable development to become a reality
